

# KORAK

*Family Estate*

## TASTING MENU

A menu of 8 **courses** of creative dishes from our chef.

The courses are designed to faithfully represent traditional dishes from the region, but in a modern and creative way, with seasonal ingredients available from the property and from local producers.

700 kn / pax

PROGRAM LASTS APPROXIMATELY 4 HOURS

For those interested, the tour of the wine cellar and the winery estate is included.

We kindly ask you to let us know the exact number of guests at least 1 (one) day before your arrival.

Note:

If your guests have allergies and / or intolerances to certain foods, please specify them when making a reservation. In this case, we must note that we can not guarantee the same combination of flavors as in the usual menu. We can accommodate vegetarians, but we can't accommodate vegans.

Our kitchen must know NO LATER 2 (two) days before your arrival about your allergies, and 7 (seven) days before about other restrictions. Unfortunately, we cannot customize the menu if you let us know only 1 (one) day before your arrival or on the spot.

Thank you

Bernard Korak, chef of the KORAK restaurant
